

LOGO

The basis of the Distrobox logo is the Rubic's cube angle piece. It can be used standalone with no type.

The colored button comes in two variants, so it can be used on both white and black backgrounds. Alternatively, for plain colors or high frequency/detail backgournds, use black/white silhouette variant.

WHITESPACE

Whitespace is not wasted space. Provide emphasis by giving the logotype some space.

PALETTE

DARK BLUE	MEDIUM DARK BLUE	MEDIUM BLUE	MEDIUM LIGHT BLUE	LIGHT BLUE
#1665ba	#1879de	#318ae8	#60a6f0	#94ccfc

Multiple shades of lightness are allowed as accent color for backdrops for the monochrome variant of the logo.

TYPE

The typeface used in the logotype is Heebo. See <https://github.com/OdedEzer/heebo>
